

PUBLIC NOTICE

BERKELEY COUNTY RECYCLING AND RECOVERY FACILITY CLASS 3 PROCESSING FACILITY MONCK'S CORNER, SOUTH CAROLINA

The South Carolina Department of Health and Environmental Control (DHEC) has received a permit application from Berkeley County Water and Sanitation for the operation of a new Class 3 solid waste processing facility at its existing Class 3 Landfill.

At this time, the Solid Waste Permitting & Monitoring Section has completed its review of the permit application and found that the application meets all technical requirements. Solid Waste Permitting & Monitoring has completed a draft permit and hereby give notice to the public. During the public comment period the Department will be taking comments concerning the draft permit and/or the permit application. The comment period will remain open until September 30, 2016.

The regulations and other information on solid waste processing requirements can be viewed on DHEC's Website at:

http://www.scdhec.gov/Agency/docs/lwm-regs/R61-107_6.pdf

A copy of the application may be viewed on DHEC's Website at:

Please bring this notice to the attention of persons you know who may be interested in this matter. Where there is significant public interest, DHEC may hold a public meeting or hearing to explain the permitting process and receive additional comments. Written comments or requests for a public hearing may be submitted through Thursday **September 30, 2016**, to the DHEC contact listed below. All comments received will be considered before a final permit is issued.
